Subject: Endorsement for the Continued Operation and Expansion of the Dr. M.A. Wazed Miah Memorial Foundation

Sir/Madam,

This letter expresses my support for the continued operation and expansion of the Dr. M.A. Wazed Miah Memorial Foundation. Established in 2010, the Foundation is a non-political, social, and humanitarian organization. For over a decade, it has been guided by the dedication and vision of its Founder, A.K.M. Farhadul Kabir. Since its inception, the Foundation has demonstrated an unwavering commitment to public welfare, philanthropy, and the advancement of education and research. Its activities consistently reflect a strong spirit of social responsibility and the promotion of merit.

The Foundation has made a significant contribution to the academic landscape of People's Republic of Bangladesh by developing initiatives like, recognizing outstanding national and international figures, notably through the Dr. M.A. Wazed Miah International Gold Medal, providing essential educational opportunities and welfare support to talented students and underprivileged communities, enhancing national prestige, promoting international cooperation and upholding global standards of meritocracy, thereby contributing positively to the nation's standing. I understand that the sustained success and growth of this non-partisan and service-driven institution directly align with the national interest by fostering intellectual development, ethical leadership, and humanitarian service throughout the country.

I sincerely appreciate all the initiatives taken so far by the foundation and hope that their non-political activities and humanitarian services will continue and proceed further with greater effectiveness not only in Bangladesh, but also at the international level.

Respectfully submitted,

(Tanya Das)
